

# **Azalea Trail Run**

**wants to give**

# **\$120,000**

**to Schools in Mobile County!**

**Help us achieve our goal!**

Azalea Trail Run wants to give money to schools, but the schools have to earn it. It is as simple as 1, 2, 3.

1. Complete a registration form for the Azalea Trail Run taking place on March 23, 2019. Fill in the school name or youth organization you want to support.
2. Mail in or drop off completed registration form and fees to Azalea Trail Run. Online registration available at [events.com](http://events.com) (processing fees will be applied to online registration).
3. Run, walk, or skip - just finish - one of the ATR running/walking events – 10K, 5K, or 2K.

That is it! For every person who registers for ATR and puts your school name or youth organization in the Rewards Program blank on the race application, ATR will give \$1 back to your school. For every person who registers for ATR and completes one of the running/walking events, ATR will give back \$2 to your school.

What do the participants get? Everyone who registers for ATR will receive a race tee shirt and free entry to the post-race party and the ATR Health and Fitness Expo. Participants in the 5K and 10K events will be eligible for age group awards. All Fun Run participants will receive a finisher's ribbon.
